RANGE OF COLOURS

The “**Top Class**” and “**First Class**” armchairs are produced in the following shades.

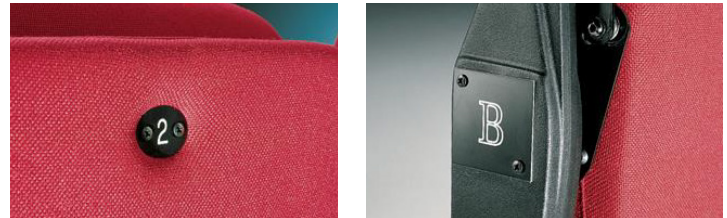

FABRIC

Practical and comfortable, the covering fabric is fully removable and **Class 1 IM Fire Retardant certified**. Completely non-allergenic, it is also stain-proof and resistant to trichloroethylene, ethylene perchloride, acid and alkalis as well as to tearing and rubbing. In case of fire, it does not give off toxic gases and the fumes are white. A wide range of colors is available.

NUMBERING

Chairs can be numbered (optional) with engraved PVC plates fixed to the underside of the seat. Plates identifying the row or sector are also available.

OTHER CHARACTERISTICS

First Class and **Top Class** chairs are made from a strong steel core and upholstered with expanded foam: they are covered by a removable cover which resistant, removable fabric is Class 1 IM fire retardant. Extremely elegant and so comfortable, these appreciated chairs have separate seats and backs. The tip - up seats make it easier for people to pass and involve an automatic spring device, or spring and gravity in the case of Top Class tip - up chairs.

GUARANTEE CERTIFICATION

CETA “**First Class**” and “**Top Class**” have **Class 1 “Fire reaction” certification** (according to the positive outcome of C.S.E. tests RF 2/75/A and RF 3/77 as per Ministerial Decree 26.06.1984, ordinary supplement to Official Gazette n.234 dated 25.08.1984).
